Periodontal (Gum) Disease Therapy

This treatment is designed to help control disease and infection of the gums and bone which are the essential supporting structures of your teeth.

\$ 750.00

Tooth-Colored Composite Fillings (4)

Fillings are used to restore teeth with small areas of decay or replace old, mercury-type fillings.

\$ 750.00

Porcelain Crowns (2)

Onlays, inlays, and crowns are used to restore fractured, broken, or decayed teeth that cannot be restored with a filling. Crowns are also used to protect teeth which have had root canal therapy.

\$ 1,800.00

Porcelain Bridge(s) (1)

Restoring your bite after tooth loss or other damage will prevent a chain reaction that may negatively effect your entire mouth.

\$ 2,400.00

Dentures / Partials

Replace missing teeth to restore your ability to chew and smile with comfort and confidence.

\$ 1,000.00

Cosmetic Treatment (2 veneers)

Creating the beautiful smile of which you've always dreamed.

\$ 2,000.00

Bite Restoration

Bite adjustments, joint therapy and removable mouth guards restore your bite and prevent deterioration of your teeth caused by a poor bite, grinding or clenching.

\$ 400.00

Orthodontic Treatment

Straightening and/or realigning your teeth for a smile you'll love.

\$ 2,250.00

Root Canal Therapy

Root canal therapy is a procedure that may save your tooth from extraction when the pulp (or nerve) has become infected.

\$ 800.00

Sleep Dentistry

Be comfortable and relaxed while you sleep through your dental appointments.

\$ 300.00

Total Treatment Estimate: **\$12,450.00**

All of my treatment options have been explained to me and I understand all of those options. I understand that this is only an estimate and that this estimate will be honored for 90 days.
